**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who fully supports broadband competition which will help ensure that consumers are the beneficiaries of a free market.

I'm concerned that the US Telecom petition will curtail competition and raise the cost of internet and telephone services for consumers like myself. I want my local companies to continue to offer build out their fiber networks and provide services in my neighborhood.

Thank you for your consideration.
